## Make Thanksgiving Baskets

**Make Thanksgiving Baskets** for families in need. Contact Kate Duggan, Volunteer Coordinator at the Inter-religious Fellowship for the Homeless of Bergen County for detailed instructions. (kmacduggan@optonline.net or 201-833-8009.)

You decorate the basket, put all the trimmings together, include a gift card so the family can purchase the turkey (or any food items they would like) and bring the basket to the Inter-religious Fellowship office. To maintain confidentiality the family will pick up the gift basket from the Inter-religious Fellowship and enjoy a festive holiday meal thanks to your generosity.
